Goals for Student Achievement

District Goal(s)

Groveland students meet or exceed district academic growth goals! Our gifted and enrichment activities provide students an opportunity to learn at their level and their own speed. STEM lessons, ASL, Spanish, and leadership opportunities are examples of targeted learning lessons created to enhance student learning at high levels.

Groveland staff believe that academic and social growth is important for each student. Students practice **“Being a positive influence, Respecting our differences, Organizing and being prepared, Nurturing learning, Communicating respectfully, Opening our minds to new experiences and Showing our best effort”** in all areas and in all activities.
